**PRINCETON ACM / IEEE-CS CHAPTERS**
MAY 2012 DINNER MEETING

Strange Sounds in a Familiar World: An Electronic Music Performance

Joo Won Park

Princeton Chapter of ACM / IEEE Computer Society will close its season of monthly meetings with our annual dinner meeting.

The meeting will feature an electronic music performance by Joo Won Park. He performs with toys, kitchenware, vegetables, umbrellas, and other non-musical objects by digitally processing their sounds. He also uses field recordings, sine waves, and many other sources he can record or synthesize.

Joo Won Park is an assistant professor of music at Community College of Philadelphia. He has a B.M. from Berklee College of Music and a Ph.D. from University of Florida. For more about the speaker, visit his website at **http://www.joowonpark.net**.

The May dinner meeting will be the final ACM/IEEE-CS meeting of the 2011-2012 season. Monthly meetings will resume again in October 2012.
